For authors' list and addresses use Times New Roman at a font size of 12 points. Bold characters for authors' names but do not cap. Plain characters for addresses. The name of the presenting author should be underlined, and e-mail address should be provided. The asterisk in the name list indicates the speaker (if oral) or the poster presenter. The e-mail address, only for the presenting author, is on a separate line separated by blank lines both before and after as shown. Do not right justify addresses. Single spacing should be used for authors' list and addresses. Center the list of authors, addresses, and e-mail.

Use 2.5 cm margins all around. Use the A4 standard paper size (21 x 29.7 cm). Paragraph one starts without an indent after a 6pt space from the e-mail address, and each paragraph is fully (left/right) justified. Any additional paragraphs start with a 6pt space from the previous paragraph. Normal line spacing should be used.

Up to two figures or images may be used, and these will be printed in black and white. The entire abstract must fit on no more than one page.

Abstracts have to be submitted electronically as MS Word (.doc or .docx) file and also with PDF Format via the online abstract submission system.

The file with the abstract(s) should be named with the number session and Surname of the presenting author (e.g. *TS-05_ Surname_abstract.docx*). Indication for preferred oral or poster presentation(s) should be added at the end of the abstract.

Preferred format: Oral/Poster

Session number and name:

References should be given by following the instruction below:

Cite references in the text by name and year in parentheses. Some examples:

Negotiation research spans many disciplines (Thompson, 1990).
This result was later contradicted by Becker & Seligman (1996).
This effect has been widely studied (Abbott, 1991; Barakat et al., 1995; Kelso & Smith, 1998; Medvec et al., 1999).

Reference list

The list of references should only include works that are cited in the text and that have been published or accepted for publication. Personal communications and unpublished works should only be mentioned in the text. Do not use footnotes or endnotes as a substitute for a reference list.

Reference list entries should be alphabetized by the last names of the first author of each work.
